

The Alphabet of the Kingdom

The Nation of Moderation

Created by: Mohammed Abdulkareem Asadawi

Supervised by: Dr. Ahmed bin Ali Al Moraia

Stanza 1:

A hero named Mohammed bin Saud,
Set the first state, of which we're proud
With wisdom, vision, and a strong hand,
He laid the founding of our land.

Stanza 2:

Turki bin Abdullah, with strength in heart,
Re-stressed the dream to be a new start.
He fixed the second Saudi State
And started its glorious date

Established the third nation to last.
